**Sub:-** Regarding "Departmental Stakeholder Survey" for understanding current  
Higher Education ecosystem in the State.

**Ref:** Departmental Letter No. 1979 dated 12.09.2023

Madam/Sir,

With reference to the workshop conducted by the Department of Higher and Technical Education (DHTE) on **11:00 AM, 15<sup>th</sup> September 2023** at **Auditorium, JUT University campus**, the DHTE has designed a mechanism to collect survey responses from various stakeholders (Students, Faculty, Administrators, Others etc.) on various aspects of Higher Education in the State.

The detailed information about the initiative and the mode of implementation of the said survey was shared with the NAAC/IQAC Coordinators during the workshop.

Further to this, we would request all the NAAC/IQAC Coordinators to kindly circulate the below embedded link of the survey form among all the stakeholders (Students, Faculty, Admin, Others etc.) of their respective HEI and ensure maximum participation for each category of stakeholder in the survey.

As was clarified during the workshop, no personal information (PI) is being collected during the survey and all individual responses will be kept confidential. The NAAC/IQAC Coordinator should also be mindful that only ONE (1) response from each email ID will be recorded. Your participation is crucial in ensuring the success and accuracy of this survey.

**The survey link is as follows :-** <https://forms.gle/oQjSer5XUigTMV8Q8>

Therefore, you are requested to further circulate this letter among IQAC Coordinators/ Nodal Officers/ NAAC Coordinator/ Students/ Faculty/ Admin/ Other etc. of your University/College for ensuring maximum participation. The last date for filling of responses is 30.09.2023 till 12:00 PM. In case of any queries, kindly email at [nepdhte.jharkhand@gmail.com](mailto:nepdhte.jharkhand@gmail.com).

Subject: **Regarding permission to purchase of CCTV Camera and Biometric Machine for the college from Corpus Fund (IGNOU Rent Fund).**

Respected Sir,

With reference to the subject mentioned above I am submitting this for permission to purchase CCTV Camera and Biometric Machine from the Corpus Fund (IGNOU Rent Fund)

At present CCTV Camera which was installed in 2016 at the time of NAAC 1<sup>st</sup> Cycle is not working since 1-2 years and Biometric Machine (Online Machine) is also not working due to subscription renewal not done, the subscription renewal cost is Rs 2000/- (Rupees two thousand only) per year as told by the technician which will be extra load to the College and also this is functional only with Internet Connection. So purchase committee of the College has decided to purchase offline Biometric Machine in which no yearly renewal and Internet Connection required.

Details of CCTV and Biometric Machine are as follows:

Sl. No.	Particulars/Descriptions	Estimated Amount (in Rs.)
1.	CCTV Camera- Make DAHUA 16 Channels IP CCTV Camera	Rs.1,31,122.00
2.	Biometric Machine - Make CP Plus 2.8 Inch HVGA Screen	Rs.0.08,260.00
Total =		Rs.1,39,382.00
(Rupees one lakh thirty nine thousand three hundred and eighty two only)		
Current Balance in Corpus Fund (IGNOU Rent Fund) = Rs.3,42,367.50		

This is for your information and needful action.

### Student Dashboard, Alumni Management System, Grievance Redressal System

#### ALUMNI MANAGEMENT SYSTEM

An Alumni Management System is a comprehensive software solution designed to manage and maintain relationships with the alumni of an educational institution or organization. It facilitates communication, networking, and engagement among alumni and with the alma mater.

Here are some key features and functionalities typically found in an Alumni Management System:

1. User Authentication and Registration: Alumni can register and create accounts on the platform. This may include options for email verification and password reset.
2. Profile Management: Alumni can update their personal information, educational details, professional achievements, and contact information.
3. Alumni Directory: A searchable database of alumni profiles, allowing users to find and connect with their former classmates.
4. Communication Tools: Alumni can send private messages to each other through the system, enabling networking and mentorship opportunities.
5. News and Updates: The system can share news, announcements, and updates related to the alumni community or the institution.
6. Alumni Surveys and Feedback: Capability to conduct surveys and gather feedback from alumni to improve the platform and alumni relations.
7. Alumni Stories and Testimonials: Alumni can share their success stories and testimonials to inspire others and foster a sense of community.

#### STUDENT DASHBOARD

A Student Dashboard for a college management system is a user interface that provides students with a centralized and personalized view of their academic and non-academic information. It serves as a gateway for students to access various features and functionalities related to their education and college life. Here are some essential components and features that a well-designed Student Dashboard should include:

1. Personal Profile: Students can view and update their personal information, including name, contact details, profile picture, etc.
2. Academic Information: A section displaying details about the student's courses, current semester, enrolled subjects.
3. Notifications and Alerts: Important updates, deadlines, and announcements related to college activities and events.
